Project Deliverables:

1. **Workable Source code:**
   - The complete source code for the application.

2. **Documentation:**

   - A report that includes:
     - **Introduction**

     - **System Design**

     - **Implementation Details**

     - **User Guide**

     - **Testing Strategy**

     - **Tools for Quality of Code**

     - **Trello Borad & GitHub**

Project Deadline:

On Friday, December 20th, 2025.

Evaluation Criteria (20 grades):

1. **The Project Application and Source Code (10 Grades):**
   - Correctness and functionality of the implemented features.
   - Tools to know the quality of the code
   - Tools for testing

2. **Oral Examination (5 Grades)**

3. **Project Documentation (3 Grades)**

4. **Trello Borad & GitHub (2 Grades)**

Bonus:

- **GUI**

A deduction of 2 points will apply for each missing requirement.

Good Luck ☺
